

Mamma Mia

The island of Mamma Mia

Hollywood's great success, the musical Mamma Mia starring Meryl Streep and Pierce Brosnan was shot on Skopelos island in the summer of 2007. If you have seen the film you can easily understand why the creators of the film chose this magical island to shoot the film.

The musical illustrates the magnificent natural beauty of Skopelos dressed with the music of ABBA and was a great success the moment it came out.
